Oh oh oh
Are you watching are you watching the starry sky
Oh oh oh
Are you hoping, are you hoping for satellites
Cause weâ€™re always laying under the same night
Weâ€™re always laying under the same night
Oh oh oh oh I love you no matter how near or far
Oh oh oh oh I love you just the way you are
So come awake come awake in the morning of your life
Come awake come awake in the morning of your life
Come awake come awake in the morning of your life
Come awake come awake in the morning morning
morning morning mornâ€™
Oh oh oh were you watching, were you watching my
train pull away
Oh oh oh were you watching, were you watching my
train pull away
Weâ€™ll be just fine through the night
And Iâ€™ll still be dreaming of you
Iâ€™ll fall asleep near my favorite tree hoping that
youâ€™re dreaming too
Come awake come awake in the morning of your life
Come awake come awake in the morning of your life
Come awake come awake in the morning of your life
Come awake come awake in the morning morning
morning morning mornâ€™
