I can feel it pumping through my veins
I can feel my mind is off again
I can feel it cutting through the pain
And I like it, and I like
But I can't change the way things are
I can't make you love me
I can't hide the bleeding scars
And I like it, why do I like

Blind me, I don't want to see this
Leave me, I don't want your kindness
Numb me, I don't want to feel it
My life is wasting away

My life is wasting away

So tell me sir with the Bible in your hand
How can your God ever love this worthless man?
A man so low he can't even love himself
With his pistols and his pills lying on the shelf
I can't save myself today
I can't change my evil ways
I can't ever be the same
And I like it, why do I like

Blind me, I don't want to see this
Leave me, I don't want your kindness
Numb me, I don't want to feel it
My life is wasting away

My life is wasting away

You can't imagine all the pain
You can't make this go away
Please sir, can't you find a way?
How do I like it? My life needs to change
You can't imagine all the pain
You can't make this go away
Please sir, can't you find a way?

My life is wasting away x5
