Walk straight through the door, hand me some music
and I'm heading to the
Floor
We got the champagne popping, waiter bring us more
We gonna be up in here tonight until tomorrow, uh, uh
tomorrow
Sparklers everywhere, here comes the waitress and
she's bringing (unknown)
This joint is jumping, got my peoples up in here
And when they play this song, our hands are in the air,
uh, uh, the air

What is tomorrow never arrives?
Why don't tonight you, go do what you like?
Would you go home? Would you go home?
Or would you stay with me right now?
Coz I wanna know, would you go home?
Coz I wanna dance with you.

MANN:
Treat every day like a birthday party
Pouring shots for everybody
We be shaded up in VIP
Tell the waitress to bring our drinks
Feelin nice and my swag on 10
Wish that tonight will never end
What it take to come home with me?
Think she may need a few more drinks.

Girls are looking glam
And all the fella's, they be rockin favourite brands
I know she love me, coz she wanna hold my hand
I aint the beetles but, she tells me I'm the man, the, the,
the man
Now she's in my space, come take a walk with me the
VIP's my place
Don't need no pass with me, the VIP's my face
And on my table, baby, we be drinkin (unknown), uh,
uh, (unknown)

What is tomorrow never arrives?
Why don't tonight you, go do what you like?

Would you go home? Would you go home?
Or would you stay with me right now?
Coz I wanna know, would you go home?
Coz I wanna dance with you.

MANN:

Treat every day like a birthday party
Pouring shots for everybody
We be shaded up in VIP
Tell the waitress to bring our drinks
Feelin nice and my swag on 10
Wish that tonight will never end
Tell your friend, she can bring a friend
And we can party till 6am, party til 6am, party til 6am
SAY WHAT?
Baby, I wanna dance with you

What is tomorrow never arrives?
Why don't tonight you, go do what you like?
Would you go home? Would you go home?
Or would you stay with me right now?
Coz I wanna know, would you go home?
Coz I wanna dance with you.

What is tomorrow never arrives?
What if tomorrow never comes?
