There are at least two versions of this song. I've added/kept both.

-----  
It's taken me a while to tell you  
Exactly how I feel inside  
The words may seem so simple right now  
But they took a while to find

And is this what you call love, love, love?  
This is what I'm thinking of

Because I knew  
That you would be all right  
And in my heart, you would stay a while with me  
And we danced until the morning light  
And you said to me, you said we'll be all right  
Yeah, we'll be all right

Please don't tell me you have moved on  
Just give me one chance to explain  
My feelings are still here and growin'  
They're new to me and I'm still learnin'

That is this what you call love, love, love?  
This is what I'm thinking of

Because I knew  
That you would be all right  
And in my heart, you would stay a while with me  
And we danced until the morning light  
And you said to me, you said we'll be all right  
Yeah, we'll be all right  
Yeah, we'll be all right

Is this what you call love?  
And is this what you call love?  
And is this what you call love, love, love?  
This is what I'm thinking of

Because I knew

That you would be all right  
And in my heart, you would stay a while with me  
And we danced until the morning light  
And you said to me, you said we'll be all right  
Yeah, we'll be all right
