There are at least two versions of this song. I've added/kept both.

-----  
You'll take me home tonight  
We both know that  
You hold my arm firmly  
And say, "Oh, please don't leave"

Don't you worry  
I'm staying here  
Don't you worry  
'Cause I'm not leaving  
Don't you worry  
'Cause I'll stay here with you  
With you  
And I'll stay here with you  
With you

You say it's time to leave  
'Cause it's getting dark  
Feet moving on their own  
We trust they'll take us home

Don't you worry  
'Cause I'll stay with you  
Don't you worry  
'Cause I'm not leaving  
Don't you worry  
'Cause I'll stay here with you  
With you

And so, won't you save me now?  
And so, won't you save me now?  
And so, won't you save me now?  
And so, won't you save me now?  
Save me now

Don't you worry  
'Cause I'm not leaving  
Don't you worry

'Cause I'll stay with you  
Don't you worry  
'Cause I'll stay here with you  
With you  
I'll stay here with you  
With you  
And I'll stay here with you  
With you  
And I'll stay here with you
