I woke up this morning  
At Nine Twenty-Three  
I grabbed my remote  
And switched on ITV

There's only one man  
Im waiting for  
The only man for me  
His name is, Jeremy.

Jeremy, Jeremy  
Jeremy, Jeremy  
Jeremy Kyle.

Can you help me Im with  
The paternity of my first born child  
Cause my mother, i detest her!  
I need a lie detector!

Oh Jeremy, Jeremy  
Jeremy, Jeremy  
Jeremy Kyle.

So basically, im in a chip shop  
My boyfriend attacked me with a stick of rock  
He left me there  
Yeah he left me on on the ground  
And then robbed me of Twenty-One pound

Basically, at the end of the day  
What you gonna do about it?  
Jeremy

Jeremy, Jeremy  
Jeremy, Jeremy  
Jeremy Kyle.

Can you help me Im with  
The paternity of my first born child  
Cause my mother, i detest her!  
I need a lie detector!

Jeremy, Jeremy  
Jeremy, Jeremy  
Jeremy Kyle!
