Hey Ja rule,

I know you're looking at me  
but there is something to see  
something special that you can't deny.  
You've got my dreams Can't let them fade  
I wanna show the world that i can make it right, Right.  
There is go som kind another  
i think about this at it all  
don't matter what you say about me  
i saw my way into the top  
This is my life

I've been feel so many things  
this is the way i've been  
made me the girl i'm  
You know my history  
You know that i will keep searching of something more

and i'll fly, i'll sing the way i feel  
and i'll fly  
i'll show you that i'm real  
and i'll fly  
the time changed my mind

Come and let me take you on this ride  
I've seen our world so le tme show you mine.  
If you can see, there is a such a thing  
as a perfection that you want for me.  
Just look around you, nobody is perfect.  
Like everyone, you gonna keep on you in.  
There is love i haven't sigh  
To keep you carry on the line  
I'm gonna show that i can  
I'll make you see that i'm alive.  
Like a bird flies awau it goed me on that i can see.  
Just say you come with me.

And i'll fly, I'll sing the way i feel  
And i'll fly, i'll show you that i'm real  
And i'll fly.

I'm trying to change my mind  
come and let me take you on this ride  
i've seen your world so let me show you mine.  
Come and let me take you on this ride  
I've seen your world so let me show you mine.

Ja Rule raps  
But there's so many things  
This is the way i've been  
Made me the girl I'm  
HYou know my history  
You know that i will keep searching for something more

And i'll fly, come and let me take you on this ride  
And i'll fly, i've seen your world so let me show you  
mine  
And i'll fly, Come and let me tkae you on this ride  
And i'll fly, i've seen your world so let me show you
