VERSE 1:

They say that you're no good
They say you've got me twisted
Cause when I'm in your way
All we do is bang, bang, bang
They say that we won't last
But I believe just different
They're throwin' broken glass
But we be like bang, bang, bang
oh baby...

CHORUS:

They could say that you're no good for me
That I'm wasting all my energy
But the love you give is good to me
I could walk away but it's worth the pain

HOOK:

Hurt me baby, ooo...
Hurt me baby, ooo...
Work it baby, drive me crazy
Hurt me baby

VERSE 2:

They say that I'm your prey
And that you're my hunter
You're gonna shoot one day
And I'll go bang, bang, bang
They say that I'm on fire
I guess that you're my flame girl
We can't put out desire
Not even rain, rain, rain, rain

CHORUS:

Whoa they could say that you're no good for me
That I'm wasting all my energy
But the love you give is so good to me
I could walk away but it's worth the pain

HOOK [2X]:

Hurt me baby, ooo...
Hurt me baby, ooo...

Work it baby, drive me crazy
Hurt me baby

BRIDGE:

It kills them how we love and they can't take it, no, no
The crimes we be committin', they can't catch us, nah,
nah
Who's lovin' like we do? Who's bangin' like we do?
Nobody, nobody
Drop me from a thousand feet, I bet I'll survive
Pull the trigger baby girl I swear I won't cry
Keep lovin' like you do, no one can f**k like you
nobody, nobody, damn it

HOOK:

Hurt me baby, yeah
Hurt me baby, oh
You better work it baby, drive me crazy
oh... ooo...
Hurt me baby, yeah
Better work it baby, drive me crazy
Hurt me baby, oh...
hey...

VERSE 3:

My friends, they say walk away
Luke, you don't deserve the pain
I tell 'em they don't know just what I gain from you babe
Your love... your sweet love
Heavenly love, oh my love
eh, oh...
They say run away, run away
You'll find somebody else some day
But I don't want nobody
Just want you babe
So I'm willin' to go through the rain
Through the fire, yeah...
Through the pain, no...da-da-da
Oh, hurt me babe

BREAKDOWN:

Does that make crazy? [3X]
Possibly
Does that make crazy? [2X]
That make me crazy?
Cause all I want is your love
Hey...
Ooo... [2X]
All I want is your love, la-la
Hurt me baby [2x]
Ooo...

Hurt me baby

VERSE 4:

Play with my mind [2x]

Just don't... just don't break my heart

Hurt me baby... Hurt me babe

Do whatchu wanna... oh...

Don't break my heart

Hurt me baby
