Since the beginning, your love was always given  
And just like my favorite wine,  
it gets better after time, ooh yeah  
Baby I want this forever, never end  
I promise that I won't stop hopping  
You give me a reason to live right  
Won't find nothing better in this life, and  
Every time I needed you  
You always knew the right things to do, uhu, yeah  
I'll owe you forever,  
I'll owe you forever

[Chorus]

For all the love you give to me  
How could I ever repay  
I owe you, I owe you, I owe you  
For everything you done for me  
How could I ever repay  
I owe you, I owe you,  
I owe you

Honey dipped kisses, you grant all my wishes  
You rescued me in the nick of time  
You saved my life, whoah ooh

Baby ain't nobody else in my vision  
Opening up in you is my mission  
You give me a reason to live right  
Won't find nothing better in this life  
And when the rain was pouring down  
You came and cleared my grey clouds  
I'll owe you forever,  
I'll owe you forever

[Chorus]

For all the love you give to me  
How could I ever repay  
I owe you, I owe you, I owe you  
For everything you done for me  
How could I ever repay  
I owe you, I owe you,

I owe you

Iâm forever in debt  
Couldnât have done it without your help  
I love you and donât you forget it  
Maybe even more than I love myself  
Baby for everything weâve been through  
Thereâs nothing that I just wonât do  
Cause I owe, I owe you

[Chorus]

For all the love you give to me  
How could I ever repay  
I owe you, I owe you, I owe you  
For everything you done for me  
How could I ever repay  
I owe you, I owe you,  
I owe you.
