I stood alone, upon the platform in vain  
Puerto Ricans they were playing me salsa in the rain  
With open doors and manual locks  
In fast food parking lots

I headed West, I was a man on the move  
New York had lied to me, I needed the truth  
Oh, I need somebody, needed someone I could trust  
I don't gamble, but if I did I would bet on us

Like the Dead Sea  
You told me I was like the Dead Sea  
You'll never sink when you are with me  
Oh Lord, like the Dead Sea

Whoa, I'm like the Dead Sea  
The finest words you ever said to me  
Honey can't you see,  
I was born to be, be your Dead Sea

You told me you were good at running away  
Domestic life, it never suited you like a suitcase  
You left with just the clothes on your back  
You took the rest when you took the map

Yes, there are times we live for somebody else  
Your father died and you decided to live  
It for yourself you felt, you just felt it was time  
And I'm glad, cause you with cats, that's just not right

Like the Dead Sea  
You told me I was like the Dead Sea  
You'll never sink when you are with me  
Oh Lord, I'm your Dead Sea

Whoa, I'm like the Dead Sea  
The finest words you ever said to me  
Honey can't you see  
I was born to be, be your dead sea

I been down, I been defeated  
You're the message I was heeding

Would you stay,  
Would you stay the night?

Dead Sea,  
You told me I was like the Dead Sea  
I never sink when you are with me  
Oh Lord, I'm your Dead Sea

Whoa, I'm like the Dead Sea  
The finest words you ever said to me  
Honey can't you see  
I was born to be, be your Dead Sea
