Cut off all of your hair  
Did you flinch, did you care  
Did he look, did he stop and stare  
At your brand new hair  
Local boy, local news  
Power lines, hangin' boots  
Firemen in their trucks cut loose  
A local boy's shoes

Cadillac, Cadillac  
Businessmen dressed in slacks  
I'm gonna buy one for us when I get back  
A big Cadillac

And you can wave to all of your friends  
And I'll never leave you again

Would you write, would you call back baby if  
I wrote you a song  
I been gone but you're still my lady  
I need you at home

Romeo, Juliet  
Balcony silhouette  
Makin' o's with her cigarette  
It's Juliet

Flapper girl, flapper girl  
Prohibition in curls  
Hair of gold and a neck of curls  
It's flapper girl

And you can wave to all of your friends  
And I'll never leave you again

Would you write, would you call back baby if  
I wrote you a song  
I been gone but you're still my lady  
I need you at home

If you ain't behind my door  
Then I ain't got a home anymore

Would you write, would you call back baby if  
I wrote you a song  
I been gone but you're still my lady and  
I need you at home

Lovers come, lovers go  
Lovers leave me alone  
She'll come back to me
