When we were younger we thought  
Everyone was on our side  
Then we grew a little bit  
And romanticized the time I saw  
Flowers in your hair  
It takes a boy to live  
It takes a man to pretend he was there

So then we grew a little and knew a lot  
And how we demonstrated it to the cops  
And all the things we said  
We were self-assured

Cause it's a long road to wisdom  
But it's a short one  
To being ignored

Be in my eyes  
Be in my heart  
Be in my eyes ai yai yai  
And be in my heart

So now I think that I could  
Love you back  
And I hope it's not too late cause you're attractive  
And the way you move  
I won't close my eyes  
It takes a man to live  
It takes a woman to make him compromise

Be in my eyes  
Be in my heart  
Be in my eyes ai yai yai  
And be in my heart
