Verse 1

Right before the darkness falls
I walk a path not known to all
Left alone to face my memories
Left alone to find the truth
Thats meant for me

Pre-Chorus

Its too late i wont break
I wont fake
I'll find my own way
And
I decide my own fate

Chorus

If we make it through another day
And the darkness fades away
To the Twilight
If we make it through another day
I know that I'll be safe
You're my Twilight

Verse 2

And the darkness fades away
To the twilight
