A why did I do it, a why did I do it  
I asked myself a hundred times and then I start to cry  
It's up to my neck now I'm runnin' like a dog  
I can't remember how it started  
But it's too late to turn back the clock  
I gotta keep on, and on, and on, and on

Oh my heart's prayin' for a heart attack  
I'm gonna collapse but I better not  
I'll get a few years for the things I've done  
I'll never see the sunrise no more what the hell  
I'm gotta keep on

Fighting for my sanity and for family  
And for my baby, oh for my baby  
Bullshit aside yea I knew how to play the game right  
But this time I made a mistake and I'm gonna pay the  
price  
I'd rather be payin' to the grim reaper, than the law  
keeper

I'm runnin', I'm runnin', I'm runnin', out of time  
Too late to waste time in haste  
I fell to my knees to pray to your God  
But your God wasn't there for me

And so I prayed to myself for long life and stamina  
I do believe I was startin' to lose my nerve and my mind  
I heard a little voice screamin'  
If you do the crime you will send to the time  
If you do the crime you will send to the time  
If you do the crime you will send to the time

Shit I won't bow down to that  
A belly of a priest doesn't have his name on his slip no  
I gotta keep on movin' and groovin', I gotta keep on  
movin' and groovin'  
I gotta keep my mind clear for the devils and the  
demons I will not fear  
The devils and demons I will not fear

I'm on the run, 10 more minutes and I'm gone

I'm on the run, 10 more minutes and I'm gone

I'm on the run, 10 more minutes and I'm gone

I'm on the run, 10 more minutes and I'm gone

I'm on the run, 10 more minutes and I'm gone

I'm on the run, 10 more minutes and I'm gone
