Shut the fuck up and dance!
Shut the fuck up and dance!
Shut the fuck up and dance!
Shut the fuck up, shut the fuck up
Shut the fuck up
And dance, dance, dance, dance!

Yup, get on it!

Are you ready, are you ready to party?
Time ain't gonna wait for nobody
Are you ready, are you ready to party?
Let the music take over your body
(X 2)

I was born in the jungle
Raised by the wolves
Married to an alien
Lived to the full
(x 2)

Shut the fuck up
Shut the fuck up
Shut the fuck up
Shut the fuck up
