Wonder who's grabbing her by the ass tonight
Chasing her around with no clothes on
Leaving on the light,
I bet they're leaving on the light

And I wonder who's grabbing her by the ass tonight
Playing around with those great big tits
Making her feel alright
I betcha she feels alright

Everybody says that you're so pretty
Every night I dream about your smile
Now and then you know my dreams get dirty
If you're with some guy gettin' real high
Doing him doggy style

I said I wonder who's grabbing her by the ass tonight
Talkin' dirty in the shower
Stayin' up all night
I bet they're stayin' up all night, bitch!

I know we'd thought our love would last forever
Nothing lasts forever someone said
Babe you know I just can't help but wonder
If you're with some guy zipping down his fly
Giving him some head

Oh I wonder who's grabbing her by the ass tonight
Chasing her around with no clothes on
Leaving on the light,
I bet they're leaving on the light
And I betcha she feels alright
Stayin' up all night
But I'll bet that guy ain't white
