[sample1]:

Gentlemen, may I have your attention please?

[sample2]:

There's stuff coming back at you all the time!

[sample3]:

You have to do it and do it together, do it and do it together

(sample2)

(sample3)

Burning, burning

Destiny comes knocking on your door

Takes you where the money meets the floor

Jealousy comes creeping up on you

And make you do those things that you hate to do

[chorus 1]:

Yes I'm burning

She won't get away

(Burning) 'cause I'm here to say

She's coming back

And it's a fact

She's here to stay

Everybody wants a piece of you

And charity begins at the age of two

So baby, baby, baby, shut your door

'Cause I won't leave you on this killing floor

[chorus 2]:

'Cause I'm burning

She won't get away

(Burning) 'cause I'm here to say

She's coming back

And it's a fact

She's here to stay

[sample 4]

Hello. Yes, you're on the air

[sample 5]

Hello?

[lots of jumbled repetitions of parts of samples 4 and 5]

Burning, Burning

Burning, Burning

(chorus 2)
