Efficient, logical, effective and practical
Using all resources to the best of our ability
Changing, designing, adapting our mentalities
Improving our abilities for a better way of life
Babies, mother, hospital, scissors
Creature, judgement, butcher, engineer
These are the little children, the future in our hands
When all god's children on this Earth inherit all our
plans
These are the lies they tell us but this is the only way
When all god's children on the Earth will evermore be
saved
Babies, mother, hospital, scissors
Creature, judgement, butcher, engineer

These are the little children, the future in our hands
Babies, mother, hospital, scissors
Creature, judgement, butcher, engineer
(Babies, mother, hospital, scissors) These are the little
children, the future in our hands
(Creature, judgement, butcher, engineer) When all
god's children on this Earth inherit all our plans
(Babies, mother, hospital, scissors) These are the lies
they tell us, the future's good as sold
(Creature, judgement, butcher, engineer) In all the
things we do and know, we really must be told
