I never wanted another Come over to me and discover
How I - want to be near you And you need to be far
away You always seem to make me feel at ho-ome Hey
you People like I never knew, I never knew, I never
knew, I never knew why-hy-y You make me wanna cry I
never knew, I never knew, I never knew, I never knew
why-hy-y Forever live and die-hie-ie I look at all of the
people Doin' it over and over You never get any older I
wish that you could be here-ere I look at you and I make
the same mistakes Hey you People like I never knew, I
never knew, I never knew, I never knew why-hy-y You
make me wanna cry I never knew, I never knew, I never
knew, I never knew why-hy-y Forever live and die-hie-ie
I never knew, I never knew, I never knew, I never knew
why-hy-y You make me wanna cry I never knew, I never
knew, I never knew, I never knew why-hy-y Forever live
and die-hie-ie I never knew, I never knew, I never knew,
I never knew why-hy-y You make me wanna cry I never
knew, I never knew, I never knew, I never knew why-hy-
y Forever, forever live and die-hie-ie I never knew, I
never knew, I never knew, I never knew why-hy-y You
make me wanna cry I never knew, I never knew, I never
knew, I never knew why-hy-y (fade)
