I love and hate you  
At the same time  
I need you don't need you  
Is that such a crime

I wouldn't walk down the road  
To say goodbye  
I couldn't give you up  
To some other guy  
I wouldn't do anything  
That you asked me to  
But you know  
That it's true  
I still love you

I want you to help me  
To make up my mind  
I need you to hear me at least  
Some of the time

I wouldn't blame you  
If you had to run away  
I couldn't stand to live  
Like this another day  
But I would sell my soul  
To get you back today  
Cause you know  
That it's true  
I still love you

I wouldn't blame you  
If you had to run away  
I couldn't stand to live  
Like this another day  
But I would sell my soul  
To get you back today  
Cause you know  
That it's true  
I still love you

And you know  
That it's true

I still love you

And you know  
That it's true  
I still love you
