Neon lights  
Shimmering neon lights  
And at the fall of night  
This city's made of light

Neon lights  
Shimmering neon lights  
And at the fall of night  
This city's made of light

I dream of you  
With me tonight  
We're all alone  
Under neon lights

I'm talking home  
You're by my side  
The neon lights  
Are in our eyes

Neon lights  
Shimmering neon lights  
And at the fall of night  
This city's made of light

Neon lights  
Shimmering neon lights  
And at the fall of night  
This city's made of light
