Be what you want to be
Be what you want to be
Count to three, A B C

Be what you want to be
Count to three, A B C

Who's gonna love you so
Won't let go 'til you blow?
Who's gonna break your heart
From the start, all apart?

Silly little things tonight
Won't be right, out of sight
Every little thing we take
Won't be late, heaven's sake

Who's going to hold you tight
All the night, give no fright?
Be what you want to be
Count to three, A B C

Every little thing's a lesson
Number one, hold the sun
Living in a field's a blessing
With no gun, can't be done

Be what you want to be
Count to three, A B C
Be what you want to be
Count to three, A B C
Be what you want to be
Count to three, A B C

Silly little things tonight
(Be what you want to be)
Won't be right, out of sight
(Count to three, A B C)
Every little thing we take
(Be what you want to be)
Won't be late, heaven's sake
(Count to three, A B C)

Who's going to hold you tight
(Be what you want to be)
All the night, give no fright?
(Count to three, A B C)

Every little things a lesson
(Be what you want to be)
Number one, hold the sun
(Count to three, A B C)
Living in a field's a blessing
(Be what you want to be)
With no gun, can't be done
(Count to three, A B C)

Be what you want to be
