I know what you are thinking, you think the clock is
ticking
That it's okay if that is what you came for
You say that I'm a user, words just confuse ya
It's abuse but that is what you came for

Ooh, you got it, suck it
Going, oh, yeah, rock it
Dont stop it, it's what you came for

Stick your finger on my pulse
Your finger don't stop
Until you got it
Don't stop until you got my pulse

Put your finger on my pulse
I tell you don't stop until you got it
Don't stop until you got my pulse
(Pulse, ah, pulse, ah)

It doesn't have to be so hard
If you let go ask for help because it's what you came
for
I gave you clear instructions how to use the functions
Fucking listen 'cause it's what you came for

(Ugh)
You got it suck it
(Ooh)
Am going
(Ooh)
Yeah rock it
(Ooh)
Don't stop it
(Ooh)
It's what you came for

Stick your finger on my pulse
Your finger don't stop
Until you got it
Don't stop until you got my pulse

Put your finger on my pulse
I tell you don't stop until you got it
Don't stop until you got my pulse
(Pulse, ah, pulse, ah)

Don't stop
