Secret
Secret

I've got a secret and I can't explain
All the time I've waited for this day
All along I was never in doubt
I always knew it would never get out

There are things that I cannot tell
And there are things that you know damn well
This is getting very hard for me
I guess you'd better just wait and see

This is all
This is all

Secret

You heard a message and the message was clear
All the time you wipe away that tear
All I want is to hold your hand
To see the sun and walk the sand

You make me sad and you make me glad
And now you see all my secret is this love
Is love, is love
My secret is this love

Everyday you're always there
You comfort me and make me feel it's worth my while
And then I look around and you're not there
And everyday you say you care and I'll beware
