This is the room
This is the wall
This is the body
I've been hoping for
These are the words
I've been longing just to say

So this is my goal
The aim of my life
This is the feeling
They warned me about

Oh my god,
What have I done this time
Oh my god,
What have I done his time

The things that you've done
You don't understand
The feeling the longing
The failing that's gone

(real heart, stop in
The arms to be
Everything shouting
In the new stone age)

Of my god,
What have we done this time
Oh my god,
What have we done this time

(we'll start living
In the real stone age)
