#### CHORUS:

I??ve got a telegraph in my hand.  
Words on paper, written in sand.

We??ve got telegraph, right across this land.  
It doesn??t mean a damn thing.  
We don??t understand.  
But who needs telegraph anyway?

#### REPEAT CHORUS

We??ve got telegraph, right across this land.  
It doesn??t mean a damn thing.  
We don??t understand, we never understand!

God??s got a telegraph nn his side.  
It makes Him powerful, gives Him pride.  
Even in America, God bless America!  
They understand the value of the telegraph.  
Hand in hand, hand in hand...
