If you see me walking down the street, staring at the
sky and dragging my two feet, you just pass me by, It
still makes me cry but you can make me whole again.

And if you see with another man laughing and joking
trying to have some fun, I won't put you down, still want
you around, you can make me whole again.

[chorus]

Looking back on when we first met, I can not escape
and I can not forget, baby you are the one you still turn
me on, you can make me whole again.

Time is layin heavy on my heart seems I've got too
much of it since we've been apart, my friends make me
smile if only for a while, you can make me whole again.

[chorus]

Looking back on when we first met, I can not escape
and I can not forget, baby you are the one you still turn
me on, you can make me whole again.

For now I'll have to wait, but if you change your mind
don't be too late, I just can't go on, its been too long,
but you can make me whole again.

[chorus]

Looking back on when we first met, I can not escape
and I can not forget, baby you are the one you still turn
me on, you can make me whole again.

[chorus]

Looking back on when we first met, I can not escape
and I can not forget, baby you are the one you still turn
me on, you can make me whole again.

Ooh, baby you're the one, you still turn me on, but you
can make me whole again.
