To give up everything and begin from the start.
To do the things I'm always doing.
To fight for my matters.
To fight for others'.
To fight for my matters.
To fight for others'.

Justice and Love,
Law and Meanness.
Together exist without the difference.
It's the eternal reflection in the crooked mirror.
It's the eternal reflection of the desperate sorrow.

Give me your hand.
And we'll ruin souls.
Give me your soul.
And we'll create a new world.
Give me your hand.
And we'll ruin souls.
Give me your soul.
And we'll create a new world.

Look around this world was designed for us.
He loves himself so much that he'll become our own.
Stretch your hand and it'll be struck.
Strike first and you'll gain every rock.

Give me your hand.
And we'll ruin souls.
Give me your soul.
And we'll create a new world.
Give me your hand.
And we'll ruin souls.
Give me your soul.
And we'll create a new world.

Give me your hand.
And we'll ruin souls.
Give me your soul.
And we'll create a new world.
Give me your hand.
And we'll ruin souls.

Give me your soul.
And we'll create a new world.
