I turn on the radio and hear your name.
I switch on TV and see your beautiful face.
But I don't feel your soul, I don't feel your soul.
And I'm not sure I wanna be with you any more.

I'm a beast but you're playing a game where
I'm a prey.
But you won't kill me till I've got the strength to
be brave.
I'll see my blood flowing down on the ground.
And all around blossoming out.

Your look is now fatal weapon.
Your words poison my soul.
Your heart now a safe shield.
But my love to you is all for I live.

all for I live.
all for I live.
all for I live.
all for I live.
all for I live.
all for I live.

I turn on the radio and hear your name.
I switch on TV and see your beautiful face.
But I don't feel your soul, I don't feel your soul.
And I'm not sure I wanna be with you any more.

I'm a beast but you're playing a game where
I'm a prey.
But you won't kill me till I've got the strength to
be brave.
I'll see my blood flowing down on the ground.
And all around blossoming out.

(all for I live.)

I'm a beast but you're playing a game where
I'm a prey.
But you won't kill me till I've got the strength to
be brave.

I see my blood flowing down on the ground.
And all around blossoming out.

I'm a beast but you're playing a game where
I'm a prey.
But you won't kill me till I've got the strength to
be brave.
I see my blood flowing down on the ground.
And all around blossoming out.
