I can't stand the sound.  
Of cymbals and brass.  
There's no one around.  
Heart braking like glass.

I still hear your voice.  
It's fading away.  
Among all this noise.  
It sounds like a pray.

Through darkness and haze.  
I stretch out of my hand.  
To reach for your face.  
I'm broken and lost.  
This can't be the end.  
Love melts like a ghost.

I can't stand the rain.  
Than stings like a knife.  
My joy is your pain.

Your death is my life.

I still feel the beat.  
Of your frozen heart.  
I see your defeat.  
That takes us apart.

Through darkness and haze.  
I stretch out of my hand.  
To reach for your face.  
I'm broken and lost.  
This can't be the end.  
Love melts like a ghost.

Through darkness and haze.  
I stretch out of my hand.  
To reach for your face.  
I'm broken and lost.  
This can't be the end.  
Love melts like a ghost.
