No more light in your eyes.
Why life takes us apart.
But I can't get you out of my heart.

No more truth in your words.
How could I be so blind?
But I can't get you out of my mind.

Close my eyes, I don't wanna see
Burn my heart, I don't wanna feel.
Take my faith, to nowhere it goes.
Take my life, now it is yours.
Take my soul.
I don't need it any more.
I don't need it any more.

Take my soul, I don't need it any more.
Take my soul, I don't need it any more.
Take my soul, I don't need it any more.
Take my soul, I don't need it any more.

No more hope is left for me.
No right kept to have one more chance.
You will give it to somebody else.

No more aim is ahead of me.
All my pride is under your feet.
Do you really enjoy my defeat?

Close my eyes, I don't wanna see.
Burn my heart, I don't wanna feel.
Take my faith, to nowhere it goes.
Take my life, now it is yours.
Take my soul.
I don't need it any more.
I don't need it any more.

Take my faith, to nowhere it goes.
Take my life, now it is yours.
Take my soul.
I don't need it any more.
I don't need it any more.

Close my eyes, I donâ€™t wanna see.
Burn my heart, I donâ€™t wanna feel.
Take my faith, to nowhere it goes.
Take my life, now it is yours.
Take my soul.
I donâ€™t need it any more.
I donâ€™t need it any more.
