

A Maddel "Time To Forgive"

Just pain and fear.
No one near.
Yesterday you saw her eyes.
Today you see the sky in fires.

Wake up! Don't fall asleep.
Wake up! They follow your feet.

Blood falls on the ground.
It's time now to leave.
It's time to keep silence.
It's time to forgive.
Blood falls on the ground.
It's time now to leave.
It's time to keep silence.
It's time to forgive.

One shot and one sight.
It's only a bad dream.
One shot and one sight.

But why is it so real?

Wake up! Don't fall asleep.
Wake up! They follow your feet.

Blood falls on the ground.
It's time now to leave.
It's time to keep silence.
It's time to forgive.
Blood falls on the ground.
It's time now to leave.
It's time to keep silence.
It's time to forgive.

Wake up! Don't fall asleep.
Wake up! They follow your feet.

You can't help walking.
You can't help firing.
You can't help killing.
You can't help dying.
