"King Of The Hill"

Lost days and distant nights
Sail out beyond the light
Set a course straight and true
You've started something
Now see it through

[Chorus]

I am the king of the hill
The very top of the heap
You wanna play, it's going to cost
No turning back 'cause you're in to deep

Take a stand, make a move
Tell the world you've got something to prove
Play your cards read 'em and weep
Count the cost, cause they don't come cheap

[Chorus]

I am the king of the hill
The very top of the heap
You wanna play, it's going to cost
No turning back 'cause you're in to deep

What's inside your mind -
Find it, feel it
You know you can find
No one sees it
Dedicate your mind
Stand up, face it
Turning twisting time
Turn around, see me move

Yeah

No way
Not today

Stand up

I am the king
Knock me off
I am the king

Count the cost

I am the king
Knock me off
I own this hill
Ha ha ha
