Got no feelings  
left to say  
all the things  
I should have said today

I guess it all can wait  
till tomorrow  
oeo  
oeo  
oeo

to hopefully find  
the courage  
to tell you  
just how I really feel about you  
iâ€™ve been struck down by the cupid

What if I said  
that I do love you  
What if I told you to my heart  
iâ€™ll be true

oooooh  
oeo  
oeo  
oeo

TRANSIT

Hey miss  
I canâ€™t tell ya the procedure  
donâ€™t want to be  
too eager when I see ya  
I just wanna be  
cool calm and collected  
and hide the fact that  
I just want to kiss below your necklace  
so youâ€™ll have to excuse me  
when iâ€™m stuttering my sentences  
and tell you of your beauty  
funny thing is  
I get paid to write sentences

but I become speechless

What if I said  
that I do love you  
What if I told you to my heart  
I'll be true

ooooooooh  
oeo  
oeo  
oeo

So now I can't find  
the ways to hide it  
the way you always bat  
your little eyelids  
makes my heart pump  
in and out  
oeo  
oeo  
oeo

If only I had  
what it took to tell you  
just how I really feel about you  
but I can't seem to find the breath
