One step back and then two steps forward
Cause I don't want to be the guy that you forget
tomorrow
I said to you
As you walked on through

I said take it or leave it
Cause you ain't gonna find a love like this
I send you off with a kiss
On a sinking ship

Ba ba ba ba ba

What are you doing baby
What are you doing
It's like the crime of the century
You've got a body of gold
From your head to your toes
Why won't you give it up to me

I'll tell you what so listen up my girls' a perfect ten
She's got a body made of gold but still won't get inside
my bed
She's playing all these crazy games just to stay locked
in my head
When all I ever really wanted was to be more than a
friend
To see her body moving as her clothes fall to the floor
With every second passing I can feel it more and more
How to get a woman with a heart caught up with love
While always fully knowing she won't ever give it up

What are you doing baby
What are ya doing
It's like the crime of the century
You've got a body of gold
From your head to your toes
Why won't you give it up to me

Oh just do it
Get out of my head
