Nic nac, patty wack
Come and give this ass a slap
Baby, let's move, let's move to the groove tonight
She's feelin' good, I'm feelin' hot, she feels alive

I said I'm one step closer as I thank my lucky clovers
Cause baby gonna move, gonna move to the drum
tonight
She's feelin' good, she's feelin' hot
She feels alive, we feel alive

You know, you know, you make me, make me wanna
dance
And I'm thinkin' about the..

CHORUS

I'm thinkin' about the way your body
And the way my body
Our bodies gonna move tonight
I'm thinkin' about the way your body
And the way my body
Our bodies gonna groove tonight
Cause i'm thinkin' about the feeling little naughty
But the naughty that i'm feelin'
Baby, naughty just feels so right
Cause i'm thinkin' about the way your body moves
The way your body moves
You know, you know
You make me, make me wanna dance

And here we go now!
Tip toe, daddy mac, take a turn and don't look back
And baby let's take it to the dance floor here tonight
Feelin' good, she's feelin' hot, I feel alive
I said here we go, round about
I pull you in and kiss your mouth
And baby, let's grind
Let's grind to the music tonight
Feelin' good, i'm feelin' hot
I feel alive, i feel alive
You know, you know
You make me, make me wanna dance

Repeat CHORUS

But then you close your eyes
As the whole world stops
But we'll keep on dancin'
No, they'll never stop us
So then I hold you close
Until the feeling's right
But you make me move
Yeah, you make me move
You make me wanna dance all night

Repeat CHORUS
