Baby you know

you are my super hero,

Baby you know

you are my angle

baby you know

you are my super hero,

baby you know

you are my angel

Out draw chorus:

Verse1 (Rap) MALIKIZOH

What kind of hero

i need in life,

right now i probably need

, kind of super hero

Gonna do things right

ahah

you know who it is

the one n the only one

never tell you a lie,

coz the sky so high

come here get closer

so i can make you mine

To tell you the truth girl

you are the core of my life,

you have save me from

Falling apart, from going around.

From playing around with little girls.

I'm telling you this, Mahali kita

Look girl you got to trust me

Everyday think about you, talk about you

can't get you out of mine, mindâ€¦â€¦.

Chorus:

baby you know

you are my super hero,

baby you know

you are my angle

baby you know

you are my super hero,

baby you know that

you are my angel

Out draw chorus:

Verse 2

Baby girl you are my hero

you..have saved me from the very first time I saw yah.

Laying my eyes on you... You were

Like a falling star from above....

you are an angel who's lost from heaven....

just got call your mum n dad n tell em

that you are gonna be alright with me.me

. Don't be shy don't be lay don't be like that when I call
you my hero ro

I wanna make you the queen of the universe

You are one of my kind. Never hard or seen an Angel
you you

I don't know how to describe you...

But I can tell you that you are

one of the most beautiful angel I ever seen....

Ahah

Chorus

baby you know

you are my super hero,

baby you know

you are my angle

baby you know

you are my super hero,

baby you know that

you are my angle
