Fantastic ah! Yeah!  
How you doing world allow me introduce you to  
The greatest white people in the world  
Chorus  
I think I'll go out tonight  
I think the temperature is right  
I hope I don't start a fight  
I think I'll go out tonight  
I got my suit on tight  
I got my shoes all white  
I'm looking for something nice  
I think go out tonight

(First Verse)  
I'm Fantastic my mansion is outstanding and  
I'm on the guest list  
And outside standing, branding in the club with my  
seal for real  
The girls all come with short skirts zeal  
Baby faces are so for real we eat, drink, and dance  
And never receive a bill  
Yeah, we chill, but not for too long  
We go around the world and the club like the deaf punk  
song  
, and that point on something somethon thong and I  
can see  
That pretty outline of her thong for that I'm wrong  
but  
for the I'm on Criggin Jankin where was I belong  
Sing my song took shots of bourbon  
and on and  
till the suns risin on then I ride on my  
Bed and pillow with some awesome mansion girls to  
rub on

Chorus  
I think I'll go out tonight  
I think the temperature is right  
I hope I don't start a fight

Iâ€™m looking for something nice  
I think go out tonight  
(Mansion Boyz)

I got a smoke on my right

(Second Verse)

First shot turns into three or four  
Then your dancing on the bar  
Taking pictures like your a superstar  
We donâ€™t know who you are, but before  
To long you will be in my car  
Your girlfriends wouldnâ€™t let you get to far  
(Why) they all know you and how you are,  
but itâ€™s ok we gonna party like itâ€™s your  
birthday or anniversary, or maybe you just got hired or  
fired  
it donâ€™t matter us we find a reason  
To get hired celebrating guys or straights  
We feeling so good feeling great so fresh and clean  
So triple clean Iâ€™m so balance till I took a shot of Jim  
Beans  
Then that was way to much  
I think Iâ€™m going to the bathroom to throw up

â€œYeah Manâ€

Chorus

I think I'll go out tonight  
I think the temperature is right  
I hope I donâ€™t start a fight  
I think Iâ€™ll go out tonight  
I got my suit on tight  
I got my shoes all white  
Iâ€™m looking for something nice  
I think go out tonight

Go out tonight  
I got a drink on my left  
I got a smoke on my right  
I think Iâ€™ll go out tonight

Tonight (tonight)
