Rape hells, unholy divination
Blackheart, The edge ov insanity
Envenomed eyes. Weâ€™™ re
The master ov profanation!

We rape and fuck the horny sluts,
We punch and kick the foolish mufti
We broke the religions law
Fuck off!!..The religious bastard!!

Weâ€™™ re the true fucking maniac
Forever breath against the hypocrite fucking religions!
Weâ€™™ re the true son ov profanation!

Rape hells, unholy divination
Blackheart, The edge ov insanity
Envenomed eyes. Weâ€™™ re
The master ov profanation!

We rape and fuck the horny sluts,
We punch and kick the foolish mufti
We broke the religions law
Fuck off!!..The religious bastard!!

We kick the paderi ass and decapitated his fucking
head
We rape the holy sister then choke her pussy
and slash her body!!!

Weâ€™™ re the chaosmakers hails from the fucking
