Black storm reigning the kristianâ€™s land,  
Declaration of the fucking war towards the Christâ€™s  
pigâ€™s!  
Wicked Angels annihilating the Christ mortals,  
Blackened murdering thy lights of Jesus!

Wings of the Antichrist!!..Erase Christianity!!  
Wings of the Antichrist!!..Erased!!!!!!!!!!!!

Thy unholy fucking Blasphemers strongly  
hold the glorious fucking victory!  
Satanic division invaded the sacred fucking district!  
Invert the disgusting cross, Erase Christianity!!

(THOGARMA)  
Christ is full of shit, The example of hypocrisy!!  
The Vaticanâ€™s shall vanished and destroy by the  
Mighty storm of Blasphemies!  
The unholy storm ov blasphemies brings great  
apocalypse,

Wings of the Antichrist!!..Erased Christianity!!  
Wings of the Antichrist!!..Erased!!!!!!!!!!!!

Jesus is the true son of the bitches,  
The leader of the rats, the leader of the cockroach!  
Invert the fucking cross, Burn alive all Christianity,  
Christianâ€™s assassination under the storm of  
Blasphemies

Wings of the Antichrist!!..Erased Christianity!!  
Wings of the Antichrist!!..Erased!!!!!!!!!!!!
