OMG GIRLZ

"I Love Christmas"

[Beauty (OMG):]

Mm mm mm mm mm mm

Mm mm mm

Feels like the perfect time

When everything is going right

No drama in my life it's christmas

(Christmas)

Can you here the sleigh bells ringing

Feels like I'm living the dream

This is how it's supposed to be

It's Christmas

(Christmas)

[Star (OMG):]

(Ah ah ooh)

Nothing like

Family time

Having fun with the ones you love

(Ah ah ooh)

Exchanging gifts

Taking long trips

Just to be near

The ones you love

[Beauty (OMG):]

Hey hey hey

I love christmas [x4]

Merry Christmas

(Ooh I love christmas time

I love it... I love) [x2]

[Star (OMG):]

Decorating the christmas tree

Just to see all the lights flashing

Everybody so happy it's christmas

(Christmas)

Under the misltoe
Outside is filled with snow
Everybodys got to know it's christmas
(Christmas)

[Beauty (OMG):]
(Ah ah ooh)

[Babydoll:]
Okay I got my phone
My macbook
I got clothes, shoes
Oh yeah I got money too
Yeah leggo
Mama whippin up a fresh batch of eggnog
Now I need for christmas is a purple ipod
Beauty says she wants a Louie bag and a watch
A pair of Gucci shoes and you know that cost a lot
Star said she wanna have her own private jet
So she can fly higher then the haters that she met
These are the things on our christmas list
So Santa can you please us all of this

[Beauty (OMG):]
Hey hey hey
I love christmas [x4]
Merry Christmas
(Ooh I love christmas time
I love it... I love) [x2]

[OMG:]
Ooh I love christmas time
I love it... I love
Merry Christmas
