[Intro:]

Money money money...

[Babydoll:]

Write a check

Cut a check

It's a party night

I'm partyin everyday

So it's just another night

And I'm stunting stupid hard

Forgive me I'm sorry

I'm lookin like I'm franny

But I'm stunting like my barbie

Hair to the side but the wind won't cooperate

Money ain't a thang that's how Babydoll operates

Steppin on these haters with some Louie V sneakers

I can party all night

I ain't in it for the money doe

[OMG:]

It's not the money or the fame

Just the hustle game

Ooh we want it all

We want it all

Hey we want it all

Yeah everybody know the name but on everything

We just love to ball

We want it all

Hey we ant it all

Oh oh ho oh oh

Ballin

We can work it out (we can work it out)

Go and do that money dance til we fall out

(Til we fall out)

[x4]

[Beauty:]

Hit the mall and we ball so we ball out

I hit the party swaggered up goin all out

Do the money dance turn it up in a hater face

Now she got a million reasons

Why she just gotta hate
I hustle hard
Let the beat drop
Gon and my money after all it don't stop
I'm a fly chick
Dancin with my fly kicks
(When I'm in the mall)
They say she 14 buyin this
I'm a pro when it comes to ballin
Cute face got the boys fallin
Yes I got it in my mug
Sumthin like a pretty thug
Lookin at these haters like whaaaat

[OMG:]
It's not the money or the fame
Just the hustle game
Ooh we want it all
We want it all
Hey we want it all
Yeah everybody know the name but on everything
We just love to ball
We want it all
Hey we ant it all
Oh oh ho oh oh
Ballin
We can work it out (we can work it out)
Go and do that money dance til we fall out
(Til we fall out)
[x4]

[Break]

[OMG:]
Hey we ant it all
Oh oh ho oh oh
Ballin
We can work it out (we can work it out)
Go and do that money dance til we fall out
(Til we fall out)
[x2]
