ou told me right but I did wrong
We don't know where to begin
You sing me songs and move along
When are you gonna go back there, when are you
gonna go?
And then you bring me up and sing me down
When will you sing us up again?

We don't have it, we don't have it, no, no
We don't have it, we don't have it, no, we don't
We don't have it, we don't have it, no, no
We don't have it, we don't have it, no, we don't
We don't have it, we don't have it, no, no
We don't have it, we don't have it, no, we don't
We don't have it, we don't have it, no, no
We don't have it, we don't have it, no, we don't

Mimic myself and replacing my steps
If I was thinking, what was I thinking?
Put it away with a messed up night
Lyrics come out, yes, ...

You are your gorgeous behavior
No, you're behaving too gorgeous
You are your gorgeous behavior
No, you're behaving too gorgeous
You are your gorgeous behavior

He talks about girls like he talks about cars
You don't know where to begin
You tell him off by being nice
You know very well how you know so what to be
Your kindness almost makes you feel bad and still you
know
That being harsh is even worse

You don't like it, you don't like it, no, no
You don't like it, you don't like it, no, you don't
You don't like it, you don't like it, no, no
You don't like it, you don't like it, no, you don't
You don't like it, you don't like it, no, no

You don't like it, you don't like it, no, you don't
You don't like it, you don't like it, no, no
You don't like it, you don't like it, no, you don't

Living a life for the past 15 years
For the first time you can feel what you're thinking
That you're up late but it will be worth wild
Comfort myself knowing it was for a reason

You are your gorgeous behavior
No, you're behaving too gorgeous
You are your gorgeous behavior
No, you're behaving too gorgeous
(Are you never going to stop?)
You are your gorgeous behavior
No, you're behaving too gorgeous
(Are you never going to stop?)
You are your gorgeous behavior
No, you're behaving too gorgeous
(Are you never going to stop?)
You are your gorgeous behavior
No, you're behaving too gorgeous
(Are you never going to stop?)
You are your gorgeous behavior
No, you're behaving too gorgeous
(Are you never going to stop?)
You are your gorgeous behavior
No, you're behaving too gorgeous
(Ahh...)
You are your gorgeous behavior
No, you're behaving too gorgeous

Trying so hard but it always gets worse
From this day you will follow your instincts

You are your gorgeous behavior
No, you're behaving too gorgeous
You are your gorgeous behavior
No, you're behaving too gorgeous
You are your gorgeous behavior
No, you're behaving too gorgeous
You are your gorgeous behavior
No, you're behaving too gorgeous
You are your gorgeous behavior
No, you're behaving too gorgeous
(Are you never gonna stop? Ahh...)
You are your gorgeous behavior
No, you're behaving too gorgeous
(Are you never gonna stop? Ahh...)
You are your gorgeous behavior

No, you're behaving too gorgeous
(Are you never gonna stop? Ahh...)
You are your gorgeous behavior
No, you're behaving too gorgeous
