Woman, I will love you always
And I, promise I'll give you the best
My love, you mean more than life to me And I love you
more than words can say

Refrain 1:

You, you'll be the only one

That I'll love for always
Forever to cherish
I want you close to me
And hold you endlessly
And feel you girl in my arms, always

You, yes you are my sunshine
You are the reason I breathe for
And there's nothing I want more

Refrain II

I need you,
I need to have you in my life
I want you always by my side
Now and for always.

Whisper the words to me
That we will always be,
Together, just you and me forever

CODA:

I want to give all my love
My hear my soul my life
Always.
