Time can never mend the careless whispers of a good
friend
To the heart and mind, ignorance is kind
There's no comfort in the truth
Pain is all you'll find

Chorus

I'm never gonna dance again
Guilty feet have got no rhythm.
Though it's easy to pretend
I know you're not a fool.
I should have no better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you.

Tonite the music seems so loud
I wish that we could lose the crowd.
Maybe it's better this way
We'd hurt each other with the things we want to say.

Chorus

I'm never gonna dance again
Guilty feet have got no rhythm.
Though it's easy to pretend
I know you're not a fool.
I should have no better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you.
