If I stand a little bit taller, with these scars, over my  
shoulder, oh,  
Would it change your mind, or is it still over?  
'Cause I'm not sure how long I'll take to recover, I know  
sometimes, we  
Fall, we fight, we cry but when you say good-bye, I  
found it hard to say.  
I'm falling to my knees, But I just can't surrender, Yeah  
Yeah, I know  
Sometimes it's hard, But we can make it better, better,  
You shoulda waited  
Just a little more time baby, So give me just a little more  
time baby,  
'Cause way above the clouds there will be an answer,  
So baby don't  
Surrender.  
We broke down, What I thought was forever, man  
these, times are hard, Guess  
I should have been wiser, I know sometimes we fall, we  
fight, we cry, But  
When you said good-bye, I found it hard to say. I'm  
falling to my knees,  
But I just can't surrender, yeah yeah, I know sometimes  
it's hard, But we  
Can make it better, better, You shoulda waited just a  
little more time  
Baby, So give me just a little more time baby, 'Cause  
way above the clouds  
There will be an answer, So baby don't surrender. I  
can't take another day  
Of you hurting me this way, Since you've been gone,  
You've been gone, Won't  
Cry no more tears, Wish you could be right here and  
stay with me baby,  
'Cause I'm falling to my knees, But I just can't  
surrender, yeah yeah, I  
Know sometimes it's hard, But we can make it better,  
better, You shoulda  
Waited just a little more time baby, so give me just a  
little more time  
Baby, 'Cause way above the clouds there will be an

answer, So baby don't  
Surrender.
