Oh, oh, oh, oh
Baby read my head, and all my dreams...
Read all my heart, we got to make other plans,
yeah baby, baby
That's just what I gotta do!

Packing the suitcase I keep moving now
Can't find this... keeps... down
That's just what I'm gonna do, oh
Until I stop missing you!

Chorus:
It's time, it's time to get a little bit,
Get a little bit stronger
Now I, I'm moving on
Just pack it up in a bag, cause I ain't coming back
oh, oh, it's time, it's time for good!
Oh, oh, oh, oh

I ... my sentence for you,
cause I'm a free man!
To ..redemption like I'm out of shame
I washed you out of my head now, baby, baby
It's time to check out the...

Chorus:
It's time, it's time to get a little bit,
Get a little bit stronger
Now I, I'm moving on
Just pack it up in a bag, cause I ain't coming back
oh, oh, it's time, it's time for good!
Oh, oh, oh, oh

And I'm not saying... don't take bitter sweet, bitter
sweet, alright!
Cause after loving you all this time
I can't lie, it's killing me, killing me!
It's gonna take some time to get over you
Cause now is no one like, I know the truth!

Chorus:

It's time, it's time to get a little bit,
Get a little bit stronger
Now I, I'm moving on
Just pack it up in a bag, cause I ain't coming back
oh, oh, it's time, it's time for good!
Oh, oh, oh, oh
