Ohh, another day yeah
I take your pain away
here we go oww

Some people talk about you
like they know all about you
and when you're down they doubt ya
and when you tip on
the scence, yeah they talkin bout it
'cause they can't tip on
the scene with ya
talkin bout it
T- t-t-talk about it,
when you get elevated,
they love it or they hate it
you dance up on them
haters, keep getting funky on the scence
while they jumpin round ya
they tryin to take all your dreams
but you can't allow it,

Chorus:
cause baby whether you're high or low
baby whether you're high or low
you gotta tip on the tightrope,
T-t-t-tip on the tightrope
Baby, baby whether you're high or low
baby whether you're high or low
you gotta tip on the tightrope,
now let me see you do the tightrope

and I'm still tippin on it
see I'm not walkin on it
or trying to run around it
this ain't no acrobatics
you either follow or you lead, yeah
I'm talking bout you,
I'll keep on blaming the machine, yeah
yeah I'm talking bout it,
T-t-t-talkin bout it,
I can't complain bout it

I gotta keep my balance,
and just keep dancing on it
we getting funky on the scene
yeah you know about it,
liek a star on the screen,
watch me tip all on it

Chorus:

Then baby whether you're high or low
baby whether you're high or low
you gotta tip on the tightrope,
T-t-t-tip on the tightrope
Baby, baby whether you're high or low
baby whether you're high or low
you gotta tip on the tightrope,
now let me see you do the tightrope

I tip on alligators and little rattle snakers,
but I'm another flavour
something like a terminator,
ain't no equivocating
I fight for what I believe
why you talkin bout it,
he talkin bout it,
some call me a sinner
some call me a winner
I'm calling you the dinner
and you know exactly what I men
yeah I'm talkin bout you
yeah you can rock or you can leave
watch me tip without you

Chorus:

Now whether you're high or low
whether you're high or low
you gotta tip on the tightrope,
T-t-t-tip on the tightrope
Baby, baby whether you're high or low
whether you're high or low
you gotta tip on the tightrope,
you gotta tip on the tightrope

2 x

Then baby whether you're high or low
baby whether you're high or low
you gotta tip on the tightrope,
T-t-t-tip on the tightrope
Baby, baby whether you're high or low
baby whether you're high or low
you gotta tip on the tightrope,
now let me see you do the tightrope
