Around Again

Words & music by Marcus J. Mitchell

Sunshine in my eyes

Six months from now I'll see it from the other side  
and one time in the skies

I saw a UFO but it just passed me by

Chorus: Going Round Again

Knowing what we know, doing what we do

Fearing what we fear, so we're here

Seeking safe and sound

As we go Around and Around

At lunch time, I'll get my food

And I'm learning how to use the stuff I learned in  
school

And sometimes when I'm blue

I love it how you cheer me up the way you do

Going Round Again

Knowing what we know, doing what we do

Bridge: You and me are so lucky to be

Living in a free society

A car for you and I've got a truck for me

Now how much does it cost to be free?

Instrumental

Repeat Chorus

And sometimes when I'm blue

I love it how you cheer me up the way you do

Going Round Again

Knowing what we know, doing what we do
