Forthcoming attracting
Attractive figure
For you I'll sing the hymn
Day to day and night to night

Been given the blessing
Therefore for you
Can't you understand
The clouds are the sun

Forthcoming attracting
Attractive figure
For you I'll sing the hymn
Night, tonight
And day, today

Been given the blessing
Therefore for you
Can't you understand
The sun is the sun

End came attracting
Attractive figure
For you I'll sing the hymn
At the sign of life
End came attracting
Attractive figure
For you I'll sing the hymn
Which is the sign of life
